8th Grade Honors Assembly: Friday, June 16, 2017

The 8th Grade Honors Assembly will be held in the auditorium on Friday, June 16th at 8:30 a.m. Students receiving awards are encouraged to wear nicer clothing. This is not a graduation ceremony, so overly formal clothing is not expected. The first part of the assembly is exactly the same as the 6th and 7th grade honors assemblies. Students who are receiving awards will proceed to the stage with their advisory class and teacher to be recognized for the achievements and participation in activities. Following this part of the assembly, some special 8th grade awards will announced and presented. The assembly will

end with an address by an 8th grade student and the final roll call will be read. During the final roll call, students may stand as their names are called to be recognized for being part of the 8th grade class. There will be a short reception in the cafeteria following the assembly.
