8th Grade Students & Parents Night at DHS

Mr. Adam Martin, the principal at Dearborn High School would like to invite our 8th grade students and their parents to the 8th Grade Parent Night, on March 28th at 6:30 pm, held in the Dearborn High Auditorium. They'll get to meet some of the staff, find out about awesome clubs and athletic opportunities, tour the building, and learn a little bit about what life is like at Dearborn High.

Thanks - Mr. Martin

Students' Corner Winners

This week we are going to have 2 of Students' Corner winning quotes. We should mention, however, that there were so many good quotes to choose from and it really took some time to select.

Amjad Alsaidy won the first prize with this very brief, but meaningful quote:

"Practice makes perfect!"

On the other hand, Nadia Gellani had a longer quote, but as worthy: *"Life is like a test that many people fail because they try to copy others not knowing that everyone has different questions."*

Please let Mr. Sabra know, whether you prefer a za'atar, a cheese, a meat, or a spinach pie.

Attention Teachers

Annual Collection for Lymphoma @ Leukemia Society: March 9 - 26

Please show the video (we will send it to the teacher in an email) on either **Thursday, 03/08**, **Friday, 03/09**, or **Monday, 03/12** to your first hour class, so the students can see why we hold this fundraiser each year. Each **1st hour**, teacher will receive a collection box with their name on it.

Please collect money from your students.

Post a **certificate with student name on it** if they donate **\$1:00 or more**. The best place to display these certificates is on the classroom door.

Top **1st hour** class will win an Olive Garden Pasta lunch, while **2nd place** will win a pizza lunch.

Tutoring starts on Tuesday, March 13

Academic Support (Tutoring) at Stout Middle School is now available for students in 6th through 8th grade by subject area.

- Students must be recommended by and signed up by their subject area teacher.
- If parents feel their child should be in tutoring, they should contact their child’s subject area teacher and request that the teacher signs their child up for tutoring.
- Teachers will provide the tutor with information regarding what areas the student needs support.
- There is a limit of 20 students per offering. Due to large demand, students who miss more than two times will be removed from tutoring and placed on a waiting list before given another opportunity. Additionally, students may be limited to one two-hour tutoring session per week for each subject.
